This is to acknowledge REAH LEBATTIE and the outstanding service and amazing tracking expertise that she has displayed. She has followed up and finally found me regarding information pertaining to dividends due from Wiphold shares which my husband purchased for me more than 20 years ago. We no longer live in South Africa, yet she was able to trace my mother-in-law and retrieve the necessary information required and have this information relayed to the correct authorities so that these dividends will be paid.

I am most impressed by her professional manner and cheerful outlook. She is to be recommended for a sterling job well done.

Much appreciated – Sharon Wilensky
